AMERICAN ACADEMY
OF COSMETIC SURGERY

The American Academy of Cosmetic Surgery (AACS)

Established in 1985, and today serving more than 1,600 members, the American Academy of Cosmetic Surgery (AACS) supports cosmetic surgery professionals with education and training opportunities that will provide them with the tools to consistently offer high-quality patient care. From live surgery workshops and WebClinics to our Annual Scientific Meeting, the AACS provides year-round opportunities for physicians to come together and share the latest and best cosmetic surgery techniques, research, business strategies, technologies, and products.

AACS members are cosmetic surgery practitioners from a diverse array of medical specialties, including dermatology, general surgery, obstetrics & gynecology, oral & maxillofacial surgery, ophthalmology, otolaryngology, and plastic/reconstructive surgery. We also have an Allied Health membership comprised of nurses, anesthesiologists and professionals focused on areas such as office/practice management, pharmaceutical supplies, patient recovery, stem cell research and healthy aging, among others.

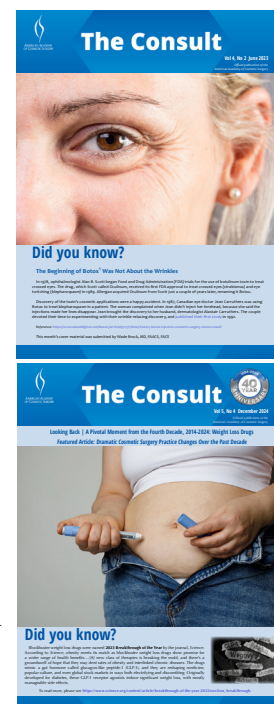

AACS Newsletter, *The Consult*About *The Consult*

Established in 2020, *The Consult* is a members-only benefit that is currently electronically published 4 times a year in March, June, September, and December. It runs between 25-30 pages per issue, and it is filled with information from the Academy's committees leadership. In addition, this premier resource provides members with pertinent industry information, highlights the Academy's goals and accomplishments and provides information about upcoming educational programs and events. It also offers the community a place to share practice ideas and research. Live links to additional information throughout the newsletter provide an added benefit.

Newsletter information: Electronic PDF distributed via email to 1,600+ members and posted in members-only section of AACS website.

Art submission: A high-resolution, full-color PDF with all fonts embedded and that is 100% of the final size is required. A minimum required image resolution of 300 dpi is preferred. Files should be cropped to remove non-printing borders and art should be created or scaled to the size intended for print. All advertising material will be subject to the AACS's approval prior to acceptance.

Payment terms: Terms for invoices are net 30. Publisher reserves the right to withhold advertising from delinquent advertisers.

AACS Annual Scientific Meeting *Final Program Guide*

Final Program information: The Annual Scientific Meeting *Final Program Guide* is typically 44-52 pages and 8½" × 11" size. The *Final Program Guide* is published in full color with advertisements placed in the back of the publication. In addition to a printed hard copy, it is also provided as a PDF and posted on the website and in the conference app. Circulation includes 500-750 conference attendees, and the guide is their continuous companion throughout the meeting. The *Final Program Guide* is the "go to" source for attendees to navigate the meeting and is often kept and used as a reference for many months following the meeting.

Art submission: A high-resolution, full-color PDF with all fonts embedded and that is 100% of the final size is required. A minimum required image resolution of 300 dpi is preferred. Files should be cropped to remove non-printing borders and art should be created or scaled to the size intended for print. All advertising material will be subject to the AACCS's approval prior to acceptance.

Payment terms: Terms for invoices are net 30. Publisher reserves the right to withhold advertising from delinquent advertisers.
