

JANUARY 23-26, 2003

THE WESTIN MISSION HILLS RESORT • RANCHO MIRAGE, CALIFORNIA USA

# EXAMINING OUR PAST FACING OUR FUTURE

19TH ANNUAL SCIENTIFIC MEETING  
ADVANCE PROGRAM

PROGRAM CHAIRS:  
CLARK O. TAYLOR, MD, DDS AND  
H. GEORGE BRENNAN, MD

AMERICAN ACADEMY OF  
COSMETIC SURGERY

## WELCOME TO CALIFORNIA

Cosmetic surgery has undergone tremendous evolution with unparalleled advancements in technology and delivery techniques. This year, the American Academy of Cosmetic Surgery embraces the latest in treatment modalities while examining the past to evaluate the treatments that have withstood the test of time.

On behalf of the American Academy of Cosmetic Surgery's Board of Trustees, we invite you to attend the 19th Annual Scientific Meeting to be held in Rancho Mirage, California, from January 23 – 26, 2003.

AACS is at the forefront of developments in the evolution of cosmetic surgery. Our unique multi-disciplinary membership allows us constant access to the latest developments in all fields of medicine. This year we are pleased to continue our mission of physician education by assembling a faculty of internationally recognized clinicians from a variety of specialty backgrounds.

In looking to the future, we are excited to present Jonathan C. Vogle, MD, PhD, who through the National Institute of Health, will be presenting a keynote address on stem cell research and its applications to cosmetic surgery. The other keynote speaker, William Rodman Shankle, MD, will address the latest advances in Alzheimer's research. Our commitment to education will continue by hosting internationally recognized faculty such as Tina S. Alster, MD, Richard L. Anderson, MD, Henry I. Baylis, MD, Calvin M. Johnson Jr., MD, Jeffrey A. Klein, MD, Toby Mayer, MD, Edward O. Terino, MD, and Howard A. Tobin, MD, among others, who will be presenting on the full scope of facial and body rejuvenation.

We hope our planned educational program will bring all attendees to the forefront of contemporary treatment, while providing a valid historical perspective in which to judge our current clinical environment.

Please join us in beautiful Rancho Mirage in January. We look forward to welcoming you there.

Clark O. Taylor, MD, DDS  
Program Chair

H. George Brennan, MD  
Program Chair

### CME CREDIT STATEMENT

The American Academy of Cosmetic Surgery is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education (CME) for physicians.

The American Academy of Cosmetic Surgery designates this continuing medical education for up to a maximum of 27 hours in Category 1 credit towards the Physician's Recognition Award of the American Medical Association. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

A certificate of attendance will be distributed after completion of the program; however, this does not imply that the participant has achieved proficiency with the procedures.

### EXHIBIT SCHEDULE:

#### THURSDAY, JANUARY 23

7:00am – 7:00pm ..... with breakfast, coffee breaks and (sponsored) lunch  
5:30pm – 7:00pm ..... Welcome Reception

#### FRIDAY, JANUARY 24

7:00am – 4:00pm ..... with breakfast, coffee breaks and (sponsored) lunch

#### SATURDAY, JANUARY 25

7:00am – 4:00pm ..... with breakfast, coffee breaks and (sponsored) lunch

**WEDNESDAY, JANUARY 22**

12:00pm – 7:00pm . . . . . Registration Open

**THURSDAY, JANUARY 23**

6:30am – 4:00pm . . . . . Registration Open

7:00am – 7:00pm . . . . . **Exhibit Hall Open**

7:00am – 7:30am . . . . . Continental Breakfast in Exhibit Hall

7:40am – 12:30pm . . . . . **General Session – Liposuction and Body Contouring**

9:30am – 10:10am . . . . . Coffee Break in Exhibit Hall

12:30pm . . . . . Lunch on Your Own – Exhibit Hall Open

1:30pm – 3:20pm . . . . . **General Session – Breast & Body Surgery**

3:20pm – 4:00pm . . . . . Coffee Break in Exhibit Hall

4:00pm – 5:30pm . . . . . **General Session – Rhinoplasty**

5:30pm . . . . . Adjourn

5:30pm – 7:00pm . . . . . Welcome Reception in Exhibit Hall

7:00pm . . . . . Town Hall Meeting &amp; AACS Business Meeting

**FRIDAY, JANUARY 24**

6:30am – 4:00pm . . . . . Registration Open

7:00am – 4:00pm . . . . . **Exhibit Hall Open**

7:00am – 7:30am . . . . . Continental Breakfast in Exhibit Hall

7:30am – 9:50am . . . . . **General Session – Forehead/Midface Surgery**

9:50am – 10:30am . . . . . Coffee Break in Exhibit Hall

10:30am – 11:50am . . . . . Keynote Presentations

11:50am . . . . . Lunch on Your Own — Exhibit Hall Open

12:50pm – 1:10pm . . . . . Resident Contest Paper Winner Lecture

1:10pm – 1:30pm . . . . . Webster Lecture

1:30pm – 5:30pm . . . . . **General Session – Facelift/Necklift Surgery**

3:20pm – 4:00pm . . . . . Coffee Break in Exhibit Hall

5:30pm . . . . . Adjourn

6:30pm – 11:00pm . . . . . Richard C. Webster Society Dinner (Invitation Only)

**SATURDAY, JANUARY 25**

7:00am – 4:00pm . . . . . Registration Open

7:00am – 4:00pm . . . . . **Exhibit Hall Open**

7:00am – 7:30am . . . . . Continental Breakfast in Exhibit Hall

7:30am – 12:30pm . . . . . **General Session – Skin Rejuvenation**

9:20am – 10:00am . . . . . Coffee Break in Exhibit Hall

12:30pm . . . . . Lunch on Your Own — Exhibit Hall Open

1:30pm – 5:00pm . . . . . **General Session – Blepharoplasty**

3:20pm – 4:00pm . . . . . Coffee Break in Exhibit Hall

5:00pm – 5:30pm . . . . . President's Panel

6:30pm – 11:00pm . . . . . Annual Black Tie Dinner Dance (tickets required)

**SUNDAY, JANUARY 26**

7:30am – 12:00pm . . . . . Registration Open

7:30am – 8:00am . . . . . Continental Breakfast

8:00am – 10:00am . . . . . **Concurrent Sessions**

Hair Restoration; Lasers in Cosmetic Surgery; Emergent Technologies

10:00am – 10:30am . . . . . Coffee Break

10:30am – 12:30pm . . . . . **Concurrent Sessions**

Hair Restoration; Lasers in Cosmetic Surgery; Emergent Technologies

**KEYNOTE SPEAKER****WILLIAM RODMAN SHANKLE, MD**  
*The Future of Alzheimers Research*

Considered to be one of the world's top contributors to Alzheimer's research, AACS is honored to welcome William R. Shankle, MS, MD as our keynote speaker. After completing undergraduate studies at Stanford, Dr. Shankle went on to receive his medical degree from Brown University, completed an internship at Cook County Medical Center and a residency in Neurology at LAC/USC Medical Center. In 1988, he founded the Alzheimer's Disease Research Center at UC Irvine where he served as Clinical Director for ten years. During this time, Dr. Shankle established the first website for Alzheimer's Disease and the first electronic medical record for Alzheimer's Disease in the U.S. In 2000, The New York Times Science section reported that Dr. Shankle had made perhaps the most important discovery of the 1990s in neuroscience, and his dedication continues today through his research and practice in Irvine, California.

**KEYNOTE SPEAKER****JONATHAN C. VOGEL, MD**  
*Stem Cell Research & Its Application to Cosmetic Surgery*

Dr. Jonathan C. Vogel received his M.D. from Rush Medical College in Chicago in 1981. His training includes an internal medicine residency at the Barnes Hospital of the Washington University Medical Center, St. Louis, and a fellowship at the National Cancer Institute. Following a 3-year faculty position at the Holland Laboratories of the American Red Cross, Rockville, MD, Dr. Vogel joined the Dermatology Branch in the NCI where he has focused on skin gene therapy, specifically targeting keratinocytes.

**TINA S. ALSTER, MD**  
*Laser Skin Resurfacing: Ablative vs. Non-Ablative Treatments*

Dr. Tina Alster brings unmatched knowledge of dermatologic laser surgery to this year's meeting. She received both her B.S. and M.D. at Duke University and went on to intern at the Hospital of the University of Pennsylvania, completed a dermatology residency at Yale University, and a laser surgery fellowship in Boston. Now, Dr. Alster focuses on teaching others, both students and physicians through her assistant clinical professorship at Georgetown University Medical Center and through lectures at numerous medical society meetings. Her work has won numerous awards and received attention in major newspapers, magazines, and television features. A Fellow of the American Academy of Dermatology and American Society of Dermatologic Surgery, Dr. Alster is currently practicing as the Director of the Washington Institute of Dermatologic Laser Surgery in Washington, D.C.

**RICHARD ANDERSON, MD**  
*Contemporary Surgical Rejuvenation of the Eyelids*

Dr. Richard Anderson graduated AOA from the University of Iowa Medical School and completed surgical internship and ophthalmology residency at the University of Iowa. He completed fellowships in ophthalmic plastic and reconstructive surgery at Albany Medical Center and the University of California, San Francisco. He is currently Medical Director of Oculoplastic Surgery, Inc. and Center for Facial Appearances in Salt Lake City. He has held the position as Professor and Chief-Division of Ophthalmic Plastic and Facial Cosmetic Surgery, University of Iowa 1976-1984 and the University of Utah 1984-1999. He is board certified in ophthalmology and a fellow of the American Academy of Facial Plastic and Reconstructive Surgery, the American Society of Ophthalmic Plastic and Reconstructive Surgery, the American Academy of Ophthalmology, and the American College of Surgeons. He is on or has been on the editorial board of many journals in the field including Ophthalmology Times, Archives of Facial Plastic Surgery, Archives of Ophthalmology and Ophthalmic Plastic and Reconstructive Surgery.

**HENRY I. BAYLIS, MD**  
*Surgical Rejuvenation of the Eyes*

With over 30 years of surgical experience, numerous publications and professional affiliations to his name, we are pleased to welcome Henry Baylis, MD to this year's Annual Meeting. Dr. Baylis received both his Bachelors Degree and his Doctor of Medicine from the University of Michigan. Furthermore, an internship at Los Angeles Hospital, a tour as Capital in the United States Air Force, a Residency at U.C. San Francisco Medical Center and a Fellowship at the prestigious Manhattan Eye, Ear and Throat Hospital bestow his curriculum vitae as well. In addition to his busy private practice, which is based in Santa Monica, California, Dr. Baylis has maintained a 20 year long professorship with the Jules Stein Eye Institute at the UCLA School of Medicine.

**WILLIAM H. BEESON, MD**  
*Surgical Facial Rejuvenation Utilizing Current Facelift Techniques*

As a Past-President of the American Academy of Cosmetic Surgery with over 100 scientific papers, books and presentations to his name, dozens of honors and affiliations and board certification in three specialties, the American Academy of Cosmetic Surgery is thrilled to welcome Dr. William H. Beeson to this year's Annual Scientific Meeting. Dr. Beeson received both his undergraduate education and Medical Degree from Indiana University and went on to complete two residencies: one in general surgery and one in otolaryngology. Dr. Beeson is a member of numerous medical societies including The

American Medical Association, The American College of Surgeons, The American Society of Hair Restoration Surgery, The American Academy of Facial Plastic and Reconstructive Surgery and The American Academy of Otolaryngology. When not maintaining his private practice in Carmel, Indiana, Dr. Beeson also serves as a Clinical Assistant Professor of Otolaryngology and a Clinical Assistant Professor of Dermatology for the Indiana University School of Medicine.

### **RICHARD T. CALEEL, DO**

#### ***Endoscopic Breast Augmentation: Submammary & Subpectoral Techniques***

After graduating from Wayne State University in Detroit, Michigan, Dr. Richard T. Caleel received his osteopathy degree from Chicago College of Osteopathy. Upon completing residencies at the Chicago Osteopathic Hospital and the Detroit Osteopathic Hospital, Dr. Caleel began practicing in the field of

plastic and reconstructive surgery. With extensive medical training, Dr. Caleel has utilized his skills and expertise to become a well-known pioneer in the field of cosmetic surgery. Board-certified in both cosmetic surgery and general surgery, Dr. Caleel is committed to advancing the field of cosmetic surgery, and currently is an attending and consulting surgeon at Grant Hospital. Dr. Caleel has been an author of many articles and chapters in publications, including *The American Journal of Cosmetic Surgery* and *The Journal of the American Osteopathic Association*. He has served his time and commitment to numerous academic associations, including his time as past president and trustee of the American Academy of Cosmetic Surgery and past president of the American Board of Cosmetic Surgery.

### **SYDNEY R. COLEMAN, MD**

#### ***Surgical Rejuvenation of the Face Utilizing Fat Transfer Techniques***

With dozens of papers to his name and memberships in some of the world's finest international organizations, the American Academy of Cosmetic Surgery is pleased to bring the expertise of Sidney R. Coleman to the 19th Annual Scientific Meeting. Dr. Coleman, a board certified plastic surgeon, received his education at the University of Texas Medical School and completed two residency programs, which included, a general surgery residency and a plastic surgery residency. Furthermore, Dr. Coleman completed an aesthetic surgery fellowship at the prestigious Manhattan Eye, Ear & Throat Hospital. Dr. Coleman is a member of the American Society of Plastic and Reconstructive Surgery, the American Society of Aesthetic Plastic Surgery, the Harry Buncke Microsurgical Society, the International Consortium of Aesthetic Plastic Surgeons, the Plastic Surgeons Association of Las Americas and the Northeastern Society of Plastic Surgery. In addition to Dr. Coleman's busy private practice and lecture schedule, he maintains affiliations at three hospitals in New York City.

### **CLAUDE H. CROCKETT JR., MD**

#### ***The Total Submuscular Breast Implant: 15 Years Experience***

Dr. Claude Crockett, Jr. completed his undergraduate and medical education at the University of Virginia. Upon graduation, Dr. Crockett received four years of training in general surgery, followed by three years of specialization in Otolaryngology and Facial Plastic Surgery. Dr. Crockett is triple board-certified in

facial plastic and reconstructive surgery, cosmetic surgery and otolaryngology and is an active member of numerous professional societies including: The American College of Surgeons, The American Society for Head and Neck Surgery, The American Society of Liposuction Surgery and The American Academy of Facial Plastic and Reconstructive Surgery. In addition to his busy private practice in Bristol, Tennessee, Dr. Crockett serves as an Associate Clinical Professor of Surgery at East Tennessee State University.

### **CALVIN M. JOHNSON JR., MD**

#### ***Open Structure Rhinoplasty***

Dr. Calvin M. Johnson has been practicing facial plastic surgery since 1975 and is the founder of the Hedgewood Surgical Center, which is located in his hometown of New Orleans. Dr. Johnson received his Bachelors Degree from Yale University and his Medical Degree from Tulane University. Following a five year residency

in the Tulane Department of Otolaryngology, Dr. Johnson completed two fellowships in facial plastic and reconstructive surgery, under the tutelage of Dr. Richard Webster and Dr. Walter Berman. Dr. Johnson is board-certified in both facial plastic and reconstructive surgery and otolaryngology and has authored numerous papers and textbooks on the topic of facial cosmetic surgery.

### **JEFFREY A. KLEIN, MD**

#### ***Liposculpting***

Jeffrey A. Klein, MD, received his Bachelors Degree from the University of California at Riverside, his Masters Degree from the University of California at San Diego and his Medical Degree from the University of California at San Francisco. Additionally, Dr. Klein received education in such specialties as dermatology, biostatistics, and epidemiology from the University of London Institute of Dermatology and the All India Institute of Medical Sciences. Dr. Klein completed two fellowships in clinical pharmacology and his residency in dermatology. Dr. Klein is triply board-certified by the American Board of Internal Medicine, the American Board of Dermatology and the American Board of Cosmetic Surgery. He maintains memberships in numerous organizations such as the American Academy of Cosmetic Surgery, the American Academy of Dermatology, the American Medical

Association, the International Anesthesiology Research Society and the California Medical Association. Dr. Klein, in addition to his assistant clinical professorship of dermatology with the University of California at Irvine, maintains his private practice, specializing in dermatologic surgery and cosmetic surgery, in San Juan Capistrano, California.

### **ROBERT KOTLER, MD** *Chemical Rejuvenation of the Skin*

Considered to be a world-authority on cosmetic head and neck surgery, Robert Kotler, MD, is a member of numerous medical societies including the American Academy of Cosmetic Surgery, the American College of Surgeons, American Academy of Facial Plastic & Reconstructive Surgery and the

International Society of Cosmetic Surgeons. Dr. Kotler is board certified in both otolaryngology and cosmetic surgery, received his undergraduate education from the University of Wisconsin and his medical education from Northwestern University. Including authoring over fifty articles and publications, he serves as a Clinical Instructor of Head and Neck surgery for the UCLA Center for Health Sciences. Dr. Kotler maintains his private practice in Beverly Hills, CA.

### **THOMAS J. LANEY, MD, DDS** *Endoscopic Forehead Rejuvenation*

Dr. Thomas J. Laney has been a long-time leader in the field of cosmetic surgery, serving on numerous committees and boards, plus running a Fellowship Program for several years. He is the director of Laney Surgical Arts in Seattle, WA, where he practices the art and science of cosmetic and maxillofacial surgery.

Always dedicated to quality and safety, his office-based surgery center has been AAAHC certified since 1995 and he is a AAAHC surveyor. Dr. Laney is boarded in both Cosmetic Surgery and Oral/Maxillofacial Surgery. He did his undergraduate work at the University of Notre Dame, has M.S. and D.D.S. degrees from Creighton University, and received his M.D. degree along with his surgical training at the University of Nebraska. Dr. Laney and his wife, Susie, have four children.

### **TOBY MAYER, MD** *Open Approach to Forehead Rejuvenation*

Dr. Toby Mayer is a world-renown educator in the field of hair replacement and has spent over 25 years advancing the art and science of cosmetic surgery. He completed his undergraduate and medical education at Indiana University, an internship at LAC/USC Medical Center and residencies in General Surgery at Methodist

Hospital in Indianapolis, Indiana and in Otolaryngology at LAC/USC Medical Center. Dr. Mayer has been the co-director of the International Symposium on Hair Replacement Surgery for six years and is also a Clinical Professor at the

USC School of Medicine. Innovative contributions to the field and nearly undetectable results have earned him the title, "Surgeon to the Stars," as well as numerous features in television and magazines. Dr. Mayer is currently practicing in Beverly Hills, California.

### **EDWARD O. TERINO, MD** *Surgical Rejuvenation of the Face Utilizing Alloplastic Implants*

Dr. Edward Terino completed his undergraduate education at Amherst College, and received his medical degree at Union University. He went on to complete an internship and residency in General Surgery at Yale University as well as a residency in Plastic and Reconstructive Surgery at the University of North

Carolina and the University of Florida College of Medicine. Dedicated to service, Dr. Terino made many trips to Haiti and Honduras with Interplast to share his skill in reconstructive surgery while holding positions instructing Plastic Surgery at various universities. Dr. Terino currently practicing in Thousand Oaks, California where he is a member of many professional organizations including the American Society of Aesthetic Plastic Surgeons, the American Society of Plastic and Reconstructive Surgeons and the California Society of Plastic Surgeons.

### **HOWARD A. TOBIN, MD** *Open Procedures in Body Surgery*

With over 30 years of cosmetic surgery experience and hundreds of scientific articles and presentations to his name, Dr. Howard A. Tobin is considered to be a great contributor in the world of facial cosmetic surgery. Dr. Tobin began his career with an undergraduate degree from Princeton University and a Medical

Degree from Baylor Medical College. From there, he completed an internship at the University of Virginia Hospital and his residency at Baylor University College of Medicine. Dr. Tobin is triple board-certified in the specialties of cosmetic surgery, otolaryngology and facial plastic and reconstructive surgery. A Past-President of the American Academy of Cosmetic Surgery, Dr. Tobin maintains numerous affiliations with professional societies such as the American Academy of Facial Plastic and Reconstructive Surgery, the American Academy of Otolaryngology, the American College of Surgeons and the American Society of Liposuction Surgery. Dr. Tobin resides and maintains his private practice in Abilene, Texas.

THURSDAY, JANUARY 23		
7:00am – 7:30am		Continental Breakfast in Exhibit Hall
7:30am		<b>Welcome and Opening Remarks</b> <i>Clark O. Taylor, MD, DDS &amp; H. George Brennan, MD Program Chairs</i>
7:40am – 12:30pm	AGT-100	<b>Liposuction and Body Contouring General Session</b> <i>Moderators: Robert F. Jackson, MD &amp; Thomas J. Laney, MD, DDS</i>
7:40am – 9:30am		<b>Free Papers</b>
	AGT-101	New Tools and Techniques in Liposuction: Are the New Ones Better Than the Old? <i>Enrique Hernandez-Perez, MD</i>
	AGT-102	Fat Transplant to Buttocks and Legs for Enhancement and Deformities <i>Lina Pedroza, MD</i>
	AGT-103	Low Level Laser Assisted Lipoplasty (L.A.L.): A New Technique <i>Rodrigo Neira, MD</i>
	AGT-104	Vibroliposuction - Personal Experience of More than 4,000 Cases <i>Angelo Rebelo, MD</i>
	AGT-105	Dysharmonious Obesity After Liposuction <i>James E. Fulton Jr., MD, PhD</i>
	AGT-106	Rotatory Power Assisted Liposuction: The Next Paradigm? <i>Steven B. Hopping, MD</i>
	AGT-107	Tridimensional Body Reshaping <i>Marco Gasparotti, MD</i>
	AGT-108	Tumescent Local Anesthesia with Articane — The Ideal Solution? <i>Afschin Fatemi, MD</i>
	AGT-109	Physiologic Perturbation Caused by Tumescent Anesthesia and its Correction Prior to Fat Grafting <i>Mitchell V. Kaminski, Jr., MD</i>
	AGT-110	Liposuction Cannula Handles Can Either Contribute To Or Reduce Fatigue and Repetitive Stress <i>Ronald D. Shippert, MD</i>
	AGT-111	Tissue Stabilization in Liposuction Surgery <i>Gerhard Sattler, MD</i>
9:30am – 10:10am		Coffee Break in Exhibit Hall
10:10am – 11:00am		<b>Free Papers</b> (continued)
	AGT-112	Minimal Incision Liposuction <i>Mont Jay Cartwright, MD</i>
	AGT-113	Secondary Low Frequency Liposuction to Correct Contour Deformities <i>Douglas D. Dedo, MD</i>
	AGT-114	Liposuction Using Tumescent Local Anesthesia <i>C. William Hanke, MD</i>
	AGT-115	Lidocaine Concentration in Tumescent Liposuction <i>Loek Habbema, MD</i>
	AGT-116	Dermolipoplasty: Critical examination - 3 years experience <i>Bernard Crunelle, MD</i>
11:00am – 11:30am	AGT-117	Open Procedures in Body Surgery <i>Howard A. Tobin, MD / Featured Presentation</i>
11:30am – 12:00pm	AGT-118	Liposculpting <i>Jeffrey A. Klein, MD / Featured Presentation</i>
12:00pm – 12:30pm	APT-119	Panel Discussion
12:30pm – 1:30pm		Lunch on Own / Exhibit Hall Open
1:30pm – 3:20pm	AGT-200	<b>Breast &amp; Body Surgery General Session</b> <i>Moderators: Richard T. Caleel, DO &amp; Richard L. Dolsky, MD</i>
1:30pm – 2:20pm		<b>Free Papers</b>
	AGT-201	New Advancements on the Intra-Areolar Approach to Breast Augmentation <i>Leonard A. Rubinstein, MD</i>
	AGT-202	Refinements In Transumbilical Breast Augmentation (TUBA) <i>R. Gregory Smith, MD</i>
	AGT-203	Ptois Measurements Before and After Liposuction of the Breast <i>Loek Habbema, MD</i>
	AGT-204	New Innovations in Peri-operative Wound Healing Using Various Modalities Including Platelet Gel, S.I.S., Vacuum Assisted Closure and Other Techniques <i>Robert F. Jackson, MD</i>
	AGT-205	Endoscopic Assisted Axillary Mastopexy Revisited <i>Robert M. Dryden, MD</i>

2:20pm – 2:50pm	AGT-206	The Total Submuscular Breast Implant: 15 Years Experience <i>Claude H. Crockett, Jr., MD / Featured Presentation</i>
2:50pm – 3:20pm	AGT-207	Endoscopic Breast Augmentation: Submammary & Subpectoral Techniques <i>Richard T. Caleel, DO / Featured Presentation</i>
3:20pm – 4:00pm		Coffee Break in Exhibit Hall
4:00pm – 5:30pm	AGT-300	<b>Rhinoplasty General Session</b> <i>Moderators: Clark O. Taylor, MD &amp; Robert V. Cattani, MD</i>
4:00pm – 4:30pm		<b>Free Papers</b>
	AGT-301	Non-Excisional Tip Refinement Technique for Cosmetic Rhinoplasty <i>Michael E. Sachs, MD</i>
	AGT-302	Dynamics and Successful Technology for Nasal Tip Surgery <i>Fernando Pedroza, MD</i>
	AGT-303	Autogenous Cartilage: The Sine Que Non of Revision Rhinoplasty <i>Steven B. Hopping, MD</i>
4:30pm – 5:00pm	AGT-304	Open Structure Rhinoplasty <i>Calvin M. Johnson, Jr., MD / Featured Presentation</i>
5:00pm – 5:30pm	APT-305	Treatment Plan for Rhinoplasty Surgery: A Panel Discussion
5:30pm		Adjourn

### FRIDAY, JANUARY 24

7:00am – 7:30am		Continental Breakfast in Exhibit Hall
7:30am – 9:50am	AGF-400	<b>Forehead/Midface Surgery General Session</b> <i>Moderators: Todd G. Owsley, MD, DDS &amp; Douglas D. Dedo, MD</i>
7:30am – 8:50am		<b>Free Papers</b>
	AGF-401	Endoscopic Forehead Lift Fixation Technique <i>Fernando Pedroza, MD</i>
	AGF-402	A Simplified Technique for Midface Lifting <i>Joseph Niamtu, III, DDS</i>
	AGF-403	Malar Fat Pad Elevation and Fixation through a Temporal Supra-SMAS Approach <i>Sorin Eremia, MD</i>
	AGF-404	Facial Fat Grafting and Liposculpture: A Minimally Invasive Method of Rejuvenating the Mid-Face and Jaw-Line. <i>Suzan Obagi, MD</i>
	AGF-405	Space Lift - Repairing Iatrogenic Defects <i>Mark Berman, MD</i>
	AGF-406	The Anatomy and the Correction of the Most Difficult Zone of the Face: The Nasolabial Fold <i>Ziya Saylan, MD</i>
	AGF-407	Endoscopic Brow and Forehead Lifting <i>Joseph Niamtu, III, DDS</i>
	AGF-408	J-Lift with Internal Face Lift—Minimal Access Facial Surgery <i>Jim E. Gilmore, MD</i>
8:50am – 9:20am	AGF-409	Endoscopic Forehead Rejuvenation <i>Thomas J. Laney, MD, DDS / Featured Presentation</i>
9:20am – 9:50am	AGF-410	Open Approach to Forehead Rejuvenation <i>Toby Mayer, MD / Featured Presentation</i>
9:50am – 10:30am		Coffee Break in Exhibit Hall
10:30am – 11:10am	AGF-411	Keynote Presentation — The Future of Alzheimers Research <i>William Rodman Shankle, MD</i>
11:10am – 11:50am	AGF-412	Keynote Presentation — Stem Cell Research & Its Application to Cosmetic Surgery <i>Jonathan C. Vogel, MD</i>
11:50am – 12:50pm		Lunch on Own / Exhibit Hall Open
12:50pm – 1:10pm	AGF-413	Resident Contest Paper Winner Lecture — <i>Anatomy of Facial Recipient Sites for Autologous Fat Transfer</i> <i>John G. Rose, Jr., MD</i> <b>Supported through a grant from the Cosmetic Surgery Foundation</b>
1:10pm – 1:30pm	AGF-414	Webster Lecture <i>Anthony J. Geroulis, MD</i> <b>Supported through a grant from the Cosmetic Surgery Foundation</b>
1:30pm – 5:30pm	AGF-500	<b>Facelift / Necklift General Session</b> <i>Moderators: Jim E. Gilmore, MD &amp; H. George Brennan, MD</i>

1:30pm – 2:20pm		<b>Free Papers</b>
	AGF-501	Express-Lift: A True “Weekend Face-Lift” Performed Under Tumescant Local Anesthesia <i>Robert C. Langdon, MD</i>
	AGF-502	Combined CO2 Full Face Laser Resurfacing and Cervicofacial Rhytidectomy <i>Robert H. Burke, MD, DDS</i>
	AGF-503	FAMI/SMAS/SOOF in Facial Rejuvenation <i>Andrew P. Ordon, MD</i>
	AGF-504	Facelift Bypass: Minimally Invasive Procedures for Facial Rejuvenation <i>Ziya Saylan, MD</i>
	AGF-505	Safely Combining Multiple Facial Surgeries in One Setting for Maximum Improvement <i>L. Angelo Cuzalina, MD, DDS</i>
2:20pm – 2:50pm	AGF-506	Surgical Rejuvenation of the Face Utilizing Fat Transfer Techniques <i>Sydney R. Coleman, MD / Featured Presentation</i>
2:50pm – 3:20pm	AGF-507	Surgical Facial Rejuvenation Utilizing Current Facelift Techniques <i>William H. Beeson, MD / Featured Presentation</i>
3:20pm – 4:00pm		Coffee Break in Exhibit Hall
4:00pm – 4:30pm	AGF-508	Surgical Rejuvenation of the Face Utilizing Alloplastic Implants <i>Edward O. Terino, MD / Featured Presentation</i>
4:30pm – 5:30pm		Panel Discussion
5:30pm		Adjourn

### SATURDAY, JANUARY 25

7:00am – 7:30am		Continental Breakfast in Exhibit Hall
7:30am – 12:30pm	AGSa-600	<b>Skin Rejuvenation General Session</b> <i>Moderators: C. William Hanke, MD &amp; Mitchel P. Goldman, MD</i>
7:30am – 9:20am		<b>Free Papers</b>
	AGSa-601	A Dose-Related Study of Myobloc (Botulinum Toxin B) in the Treatment of Hyperkinetic Facial Wrinkles <i>Neil Sadick, MD</i>
	AGSa-602	The Treatment of Hypopigmentation Following Skin Resurfacing <i>James E. Fulton, Jr., MD, PhD</i>
	AGSa-603	Modified Phenol-Based Peel (Fintsi's Exoderm Peel) <i>Edward Becker, MD</i>
	AGSa-604	Non-Ablative Facial Rejuvenation: A Split-Half Facial Comparison Of A 350ms Pulse Dye Laser (ICN N-Light) With A 450ms Pulse Dye Laser (Cynosure V-Star) At 585nm <i>Douglas J. Key, MD</i>

**ADVANCE REGISTRATION DEADLINE**

The advance registration deadline is **Friday, December 6, 2002**. This means that AACS headquarters must receive all advance registrations and payment by this date. Forms received in headquarters without payment (ie. fax copies of a check) will be discarded! Registrations are not honored until payment is received. This deadline will allow us to adequately plan for and confirm your participation. All attendees are strongly encouraged to register in advance for the meeting and workshops, as space is limited for some courses, and registration will be granted on a first-paid basis only.

After December 6 and On-Site: Should you decide to register after that date, it will be considered an on-site registration and an additional \$100 will be added to each attendee registration fee, regardless of the original date of receipt of the registration packet. Further, it may not be possible for headquarters to confirm your registration after this date. This could add to your registration time on-site.

**CONFIRMATIONS**

Each attendee who is registered in advance will receive a confirmation of that registration by headquarters. Please bring a copy of your registration confirmation letter to on-site registration to speed up the process. If you do not have a confirmation letter, and there is no record of payment receipt by headquarters, you will be required to provide payment on-site, even if you think a payment was remitted previously. Any duplicate payments resulting will be resolved following the meeting.

**CANCELLATION/REFUND POLICY**

Cancellation notification and refund requests must be received in writing by AACS headquarters, 737 N. Michigan Avenue, Suite 820, Chicago, IL 60611-6659, or by facsimile at 312.981.6787.

Criteria for refunds:

- Written notice received on or prior to Friday, December 6, 2002 - 100% refund less \$100 administrative processing fee
- Written notice received after Friday, December 6, 2002 — no refund
- No refunds will be given for dinner dance tickets due to the advance reservations placed and paid for by the Academy
- All written requests must indicate who the payee is and the mailing address it will be issued to

Please note: all refunds will be processed after the meeting.

Advance registration badge pick-up and on-site registration hours:

**Wednesday, January 22 . . . . . 12:00pm - 7:00 pm**  
**Thursday, January 23 . . . . . 6:30 am - 4:00 pm**  
**Friday, January 24 . . . . . 6:30 am - 4:00 pm**  
**Saturday, January 25 . . . . . 7:00 am - 4:00 pm**  
**Sunday, January 26 . . . . . 7:30 am - 12:00 pm**

**SPOUSES AND GUESTS**

It is always the Academy's pleasure to welcome the spouses and families of meeting registrants. However, each guest is required to purchase a special badge in order to participate in any of the scheduled events. The cost of the badge is solely to defray the meal and beverage expense.

Please also note that spouses and guests are not admitted to the educational program meetings, as seating is limited and reserved for the paid meeting registrants. In order to ensure fairness for those paying the appropriate registration fees, spouses and companions wishing to attend any sessions must register as a surgical assistant/ancillary provider, provided they are not a currently practicing physician. Practicing physicians must register as nonmember guest physicians. A spouse/companion badge will not be sufficient for entry into the session rooms. The Academy thanks everyone for their cooperation in this matter.

**REGISTRATION FEES*****Physician/ Resident/Training Fellow/Surgical Assistant/Ancillary Provider Fee***

The following is included in your registration fee:

- Two (2) beverage tickets and entrance to the Welcome Reception - Thursday
- Morning continental breakfast service - Thursday, Friday, Saturday & Sunday
- Morning and afternoon coffee/soda breaks - Thursday, Friday, Saturday & Sunday am
- Admission to the general scientific sessions and information courses with session codes beginning AG-, AP-
- Admission to the Sunday morning sessions
- Admission to the exhibit hall
- Admission and use of the Video Learning Center
- Official program and abstract book
- CME certificate of registration, upon completion of the meeting evaluation

***Spouse/Guest Fee (regardless of the attendee meeting registration) -***

The following is included in your registration fee:

- Two (2) beverage tickets and entrance to the Welcome Reception on Thursday
- Morning continental breakfast service - Thursday through Sunday
- Morning and afternoon coffee/soda breaks - Thursday through Sunday
- Admission to the exhibit hall

*Please note:* You must purchase your ticket in advance to attend the dinner dance on Saturday evening.

Member physicians affiliated with an exhibiting company must register separately for the educational meeting if they wish to receive CME credit.

### CLAIMING CME CREDIT

When you pick up your badge, you will be given a packet containing your CME tracking card. This card may be used for either of the meetings. On this card, you should track your actual hours of attendance for each day of the meeting. This tracking card is then kept by you, in your personal files, as the actual hours of CME credit that you earned for the meeting. Appropriate credit for attendance should be ascertained and reported by each individual physician to the particular state or medical society to which he or she belongs. The AACS does not track or maintain a history of your credits!

### VERIFICATION OF ATTENDANCE

You will receive evaluation forms for all sessions at the meeting. Please fill out the forms completely and deposit them in the collection box at the registration desk. Upon receipt of your completed session evaluation form at the conclusion of the meeting, the Academy will send you a certifi-

cate of registration for the meeting and the maximum hours of credit available. This too, should be kept in your personal records. You are responsible for tracking all CME credits earned. Remember, this information is not maintained at the AACS headquarters office!

As an educational organization, the American Academy of Cosmetic Surgery does not specifically approve, promote or accept the opinions, ideas, procedures, medications or devices presented in any paper, discussion, forum or panel, or any formal or informal meeting. All speakers, topics and schedules are subject to change without prior notification, and will not be considered reason for refund requests. For further information you may request a copy of the formal Academy Disclaimer of Liability policy from the AACS headquarters office.

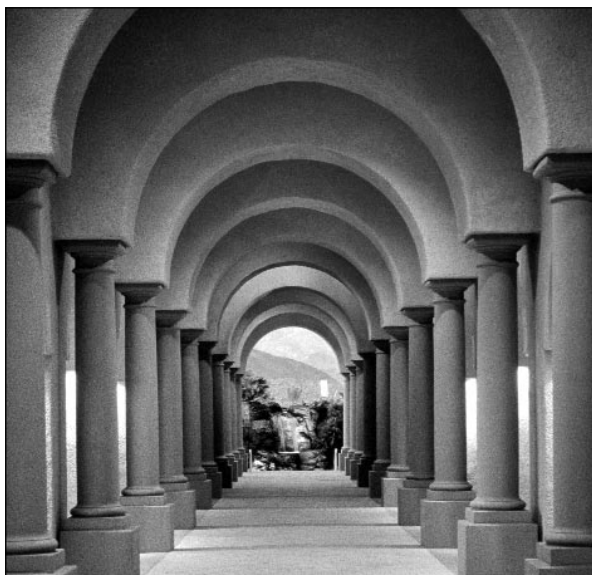

### DISCLOSURE PROCEDURE

It is required by the American Academy of Cosmetic Surgery and its affiliate organizations, in accordance with ACCME regulations, that all presenters disclose any financial interest or other relationship (grant, research support, consultant, etc.) by any of the authors with any manufacturer or commercial products that may be discussed in the presentation.

**19TH ANNUAL  
SCIENTIFIC MEETING**  
JANUARY 23-26, 2003

American Academy of Cosmetic Surgery

### THE WESTIN MISSION HILLS RESORT

An exotic desert sanctuary, The Westin Mission Hills offers something for everyone, including two golf courses designed by legends Pete Dye and Gary Player, three pools, seven lighted tennis courts and a new 11,000 square foot spa. All rooms feature a private terrace and Westin's signature Heavenly Bed.

The Palm Springs area is a sophisticated world of unforgettable resorts and legendary golf courses, gourmet restaurants and first-class meeting facilities. Yet this internationally renowned destination is also a charming, low-key paradise remarkably easy to navigate. It is this unique combination of small-town comforts and big-city amenities that makes the Palm Springs area the perfect meeting place.

To make your hotel reservations:

- Call The Westin Mission Hills Resort direct at 760.328.5955 or 800.WESTIN-1.
- Identify yourself as an AACS attendee to receive the special AACS room rate of \$245 single / double.
- You will be requested to guarantee your reservation with a one-night room deposit.
- Credit cards accepted for room deposit are: MasterCard, VISA, American Express, Carte Blanche, Diners Club and Discover.
- Room deposits will be refunded if cancellation is made three days (72 hours) prior to arrival.
- DO NOT send your hotel request or deposit payment to the Academy Headquarters.

The deadline for housing reservations is **Friday, December 20, 2002**. After this date, the Academy cannot guarantee your housing or special rates, as all uncommitted rooms must be released back to the hotel for general sale.

### AIR TRAVEL

Hobson Travel, AACS' travel coordinator, can help you secure the lowest possible fares for your trip through special discount programs and zone fares. Call Hobson Travel direct at 800.538.7464 (outside Illinois and in the Continental U.S.) to arrange your travel plans. Within Illinois, please call 630.983.8000.

### GROUND TRANSPORTATION

The Westin Mission Hills Resort is located approximately 7 miles/15 minutes from the Palm Springs International Airport and approximately 70 miles east of Ontario International Airport. Taxi cabs are available from the Palm Springs International Airport.

## SOCIAL EVENTS

### ANNUAL DINNER DANCE & BANQUET

When: Saturday, January 25, 2003  
Time: 6:30pm – Midnight  
Cost: \$95 per ticket / Tickets must be purchased in advance  
Dress: Black-tie

- Tickets are required for entry
- Those wishing to purchase tickets for guests or themselves must do so in advance
- On-site event tickets will be limited and only available until noon on Friday.
- Event tickets are non-refundable due to the guaranteed reservations that the Academy must make on behalf of the registered attendees.

### FELLOWSHIP LUNCHEON

When: Thursday, January 23, 2003  
Time: 12:00 – 1:30 pm  
Cost: \$25 / Tickets must be purchased in advance

Past and current Training Fellows and all current Fellowship Training Program Directors are invited to attend a special luncheon. Steven J. Prstojevic, MD, DDS, chair of the Fellowship Training Committee, strongly encourages all program directors to attend. The main focus of this working lunch will be to discuss the site visits recently conducted and changes made to the training program to enhance the comparability to other training programs in ABMS specialties.
