CYNOSURE

Let the beautiful begin.

At Cynosure, we believe beauty is not a standard but a starting point.

It's the moment when the way your patient feels inside matches the way they feel outside. That's a powerful point at which even more beautiful becomes possible. More ways to feel their best. We believe in those beautiful possibilities—and the responsibility that comes with them. It's why we continue to innovate. Why we believe safety is more important than sales. Why we will never stop empowering people to change and grow. We're a catalyst, a partner. We are Cynosure.

Visit www.cynosure.com to learn more today.

We help people discover **their** Beautiful

THE 2016 ANNUAL SCIENTIFIC MEETING

Welcome to the 2016 Annual Scientific Meeting of the American Academy of Cosmetic Surgery for three days of compelling speakers, a streamlined, multi-specialty curriculum and exciting networking events. When you're not attending sessions and earning valuable CME credits, take advantage of the social activities arranged for both you and your guests. Learn from the experts, enjoy the beaches and sunshine of South Florida and head home with a renewed passion for cosmetic surgery.

In addition to the program, please visit our exhibitors demonstrating the latest technologies and services in the cosmetic surgery world. And don't forget to download the **AACS2016 MOBILE APP** to help you navigate the meeting from the palm of your hand.

VILLA VIZCAYA AND FAIRCHILD TROPICAL BOTANIC GARDENS TOUR

Friday, January 15 | 10:00AM - 2:15PM | Cost: \$130/person

Visit registration to sign up.

Receive a guided tour of the first floor of Villa Vizcaya. The magnificent Italian villa on Biscayne Bay has often been called the finest private home ever built in America. With its phenomenal human-made and natural resources, Vizcaya was built in the 1910's, a decade in which Gilded Age cultural standards were enlivened by the irreverent spirit of the dawning Jazz Age. Followed by a 45-minute narrated tram tour of the Fairchild Tropical Botanic Garden, which will give visitors information on the history of the botanic garden, the abundant plant and animal life found in the gardens and Fairchild's mission of plant conservation. Guests will also have the opportunity to explore some of the many displays and exhibits found on the property.

MOBILE APP

Experience the conference from the palm of your hand. With the **AACS2016 MOBILE APP**, you have fast and convenient access to all aspects of your meeting experience:
