CONTINUING MEDICAL EDUCATION CREDIT INFORMATION

Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Surgeons and American Academy of Cosmetic Surgery. The American College of Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

AMA PRA Category 1 Credits™

The American College of Surgeons designates this live activity for a maximum of 25.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AMERICAN COLLEGE OF SURGEONS
Inspiring Quality:
Highest Standards, Better Outcomes

AMERICAN COLLEGE OF SURGEONS
DIVISION OF EDUCATION

LEARNING OBJECTIVES

At the end of this educational activity, participants will be able to:

- Apply a contemporary understanding of techniques and research in their cosmetic surgery practice.
- Demonstrate existing limitations in their practice and develop judicious plans to overcome them or establish prudent practice restrictions.
- Improve patient care, safety, and aesthetic outcomes.
- Diagnose various complications in face and body cosmetic surgery.
- Describe established techniques and options for various procedures.
- Introduce appropriate procedures and aesthetic offerings to patients with maximum benefit and safety.
- Distinguish the risks and benefits of surgical vs. non-surgical approaches through appropriate clinical analysis.
- Evaluate the value of new technologies and strategies for anti-aging effects.

DISCLOSURE INFORMATION

In accordance with the ACCME Accreditation Criteria, the American College of Surgeons must ensure that anyone in a position to control the content of the educational activity (planners and speakers/authors) has disclosed all financial relationships with any commercial interest. See the mobile app for the complete disclosure list.
