AMERICAN ACADEMY  
OF COSMETIC SURGERY

Dear Colleagues,

Welcome to the American Academy of Cosmetic Surgery's 2022 Annual Scientific Meeting. We hope you are reading this in person in Las Vegas. On behalf of the AACS Board of Trustees and the Annual Scientific Committee we are all so happy that you have chosen to attend the AACS Annual Scientific Meeting. Our theme, "Immerse in Perfection", says it all. This year's meeting will allow experts from throughout the world to share their best techniques and knowledge so that we can all go back to our practices and do what we do best, be great cosmetic surgeons.

Our goal for this year's meeting was to develop a program that allowed more experts to provide unique and specialized presentations in a more concise and efficient manner. Sessions like Breakfast with the Experts, Poster Flash, and the Webster Society Supper Club are just a few new twists to an already great program. And of course, don't forget our Annual Facial Cadaver Course focusing on facelift and oculoplastic surgery held on February 2, 2022.

Our new management group, TREX-Medical Society Management, Inc., and our AACS Board of Trustees welcome each of you to our meeting. Please join us at all the events, visit with your best friends, make new acquaintances, and most importantly, enjoy and learn from our experts.

Warmest regards,

J. Kevin Duplechain, MD, FACS, FAACS

- The attire for the Cadaver Workshop is casual with closed-toed shoes (tennis shoes preferred). Attendees will change into scrubs at MITI.
- The attire for the Webster Society Supper Club is formal, with black tie optional (evening gowns and suits/tuxedos). If you prefer, we encourage attire inspired by the 1930-1940s supper club era.

## WEATHER

The temperature during the month of February is 62°F/16°C high to 41°F/5°C low.

## OFFICIAL LANGUAGE

The official language of the meeting is English. No simultaneous interpretation will be provided.

## PERSONS WITH DISABILITIES

The AACS fully complies with the legal requirements of the Americans with Disabilities Act (ADA) and the rules and regulations thereof. If any participant in this educational activity requires support services, please notify the AACS headquarters office at 1-312-981-6760 or [info@cosmeticsurgery.org](mailto:info@cosmeticsurgery.org) as soon as possible, and preferably before Dec. 31, 2021.

**PHOTO POLICY**

No photographs are permitted in the educational sessions.

**VIDEO POLICY**

No video recordings are permitted in the educational sessions.

**RECORDED MEETING**

The scientific sessions will be recorded and available to those who purchased the Recorded Meeting. The Recorded Meeting will be available from February 22, 2022 through May 22, 2022. It is not too late to purchase the Recorded Meeting (see the Registration Desk). No CME credits are issued for viewing the Recorded Meeting.

**CANCELLATION/REFUND POLICY**

Registration fees, less an administrative fee of \$150, will be refunded upon written notice of cancellation to the AACS headquarters office received on or before January 11, 2022. Phone cancellations will not be accepted. Registrants assume full responsibility for notification to and verification of receipt by AACS.

Please email your cancellation request to [info@cosmeticsurgery.org](mailto:info@cosmeticsurgery.org).

Refunds or credits will not be given for failure to attend, late arrival, flight/transportation cancellations, unattended events, or early departure. In the rare event of a meeting cancellation, AACS is not responsible for nor will provide refunds for costs associated with travel, airfare, hotel, or transportation costs incurred by the registered attendee. It is always recommended that the registrant purchases independent travel insurance.

**BADGES**

An official AACS-issued badge is required to enter the Annual Scientific Meeting. Alterations and tampering with badges is prohibited and subject to the No Badge Swapping Policy.

### ACCESSING YOUR CME CERTIFICATE

Complete the "Certificate/Attendance Form" and return it to the registration desk. Your CME certificate will be available by March 1, 2022, within your registration record in the AACS Learning Engagement Portal. An email will come from the AACS when your certificate is ready for download.

### EVALUATION

The AACS 2022 Annual Scientific Meeting Committee requests that you complete the overall evaluation survey you will receive via email in the days following the in-person meeting. Your feedback is very valuable to us! We make changes to the meeting and faculty based on your comments. Thank you for your participation!

### SPEAKER DISCLOSURES OF CONFLICTS OF INTEREST

In accordance with ACCME regulations, the accredited provider, the American College of Surgeons, must ensure that anyone who is in a position to control the content of the education activity has disclosed all financial relationships with any commercial interests (termed by the ACCME as "ineligible companies") in the last 24 months before their involvement of the educational activity. Please find the listing in the Abstract Book and meeting website at: <https://aacs2022.cosmeticsurgery.org/cme/>.

## COVID-19 HEALTH & SAFETY PROTOCOLS TO MAINTAIN A SAFE ENVIRONMENT

Participating in the AACS 2022 Annual Scientific Meeting during the ongoing pandemic carries risk due to the contagious nature of the COVID-19 virus and the fact that the Meeting will be held indoors with a large number of attendees. Attendees and guests are required to either be fully vaccinated against COVID-19 or have received a negative COVID test at least one week before the start of the Meeting. The AACS relies on attendees' and guests' representations and does not independently verify vaccination status or negative test results.

In addition, attendees and guests must agree to follow all required health and safety guidelines, protocols, policies, regulations, and mandates relating to attendance at the Meeting, including, but not limited to, World Health Organization (WHO) guidelines, U.S. Centers for Disease Control and Prevention guidelines, statutes, regulations, and other mandates applicable to the locale of the Meeting, as well as any additional requirements imposed by the AACS or Venue (regardless of whether international, national, or local laws allow otherwise).

Attendees and guests must monitor their own health status and not attend the Meeting if symptomatic of COVID-19 in any way or if they believe they have been exposed to someone with COVID-19.

Following CDC guidance and requirements set forth by the State of Nevada, **masks are required for all guests and employees inside all public spaces, regardless of vaccination status.** (as of the writing of this book)

### IF YOU BECOME SICK DURING THE ANNUAL SCIENTIFIC MEETING

If you are experiencing any of the following symptoms, seek out a COVID-19 test and do not attend any further educational sessions or social events of the Annual Scientific Meeting:

- Fever or chills
- Headache
- Cough
- New loss of taste or smell
- Shortness of breath or difficulty breathing
- Sore throat
- Fatigue
- Congestion or runny nose
- Muscle or body aches
- Nausea or vomiting
- Diarrhea

### ON-SITE COVID TESTING

The hotel offers several options to guests for on-site testing.

MGM Resorts is partnering with Community Ambulance to offer COVID-19 Testing by appointment in The Shoppes at Mandalay Place and/or In-Room COVID-19 Testing for registered hotel guests.

Please check with the hotel registration for prices or visit: <http://covidtest.communityambulance.com/>

There is no better way to enhance your skills in cosmetic surgery than through hands-on practice and one-on-one instruction. This pre-meeting workshop will help participants better understand and implement the latest techniques in cosmetic surgery and will also cover the most anticipated complications. Through lecture and hands-on guidance on fresh cadaver, attendees will learn surgical techniques of brow lift, upper and lower blepharoplasty, surgical management of upper eyelid ptosis, lower eyelid entropion and ectropion, lower face lift, utilizing cheek and chin implants, and skin tightening. Target audience: Beginner and intermediate cosmetic surgeons, but also topics of interest for the advanced surgeon.

## Supper clubs are the hot trend in Las Vegas.

Bellagio has "The Mayfair Supper Club," Wynn opened "Delilah" in July 2021, and the Cosmopolitan opened "Superfrico" in Sept 2021.

## We are creating our own supper club,

The Webster Society Supper Club! A modern take on a classic American restaurant experience where vintage dining, classical cocktails, and entertainment collide to make up the show. As a throwback to the days when supper clubs became popular, our event will have a flare of the 1930-1940s.

**Don't miss this fun event** with your friends and colleagues while supporting a great cause.

If you donate to the Cosmetic Surgery Foundation in the amount of \$1,200, you become a member of the Webster Society and among other acknowledgements, you receive 2 tickets to the Webster Society Supper Club.

However, even if you are not a member of the Webster Society, we cordially invite you to attend this event and purchase tickets during the Annual Scientific Meeting registration process.

**We have planned a special evening with  
great food, atmosphere, entertainment,  
dancing, and camaraderie. See you there!**

## SATURDAY | FEBRUARY 5, 2022

7:15AM-2:45PM	<b>Registration</b>   Mandalay Ballroom Foyer
7:15AM-2:30PM	<b>Speaker Ready Room</b>   Reef D
7:15AM-8:15AM	<b>Breakfast with Course</b>   in Session 24
7:30AM-8:30AM	<b>Session 24: Breakfast with the Experts</b>   Mandalay Ballroom KL

Open to all attendees on a first-come, first-served basis. This is an informal session for small groups to discuss a specific topic as noted on the list. The round tables will be labeled with a topic and table leaders' names. You may sit at any table you like and rotate to as many tables as you wish.

Bring your questions! The idea is to have dialogue among those interested in the topic – an interesting conversation. These are not formal presentations.

## KEYNOTE

**Andrea A. Moreira, MD**

### The Art of Breast Reconstruction: A Sensitive Topic

SESSION 4

Thursday | February 3, 2022 | 9:00AM

Dr. Andrea Moreira is a board-certified Plastic Surgeon and the director of the breast reconstruction program at Allegheny Health Network, Pittsburgh, Pennsylvania. She is also an adjunct staff at the Cleveland Clinic and an assistant professor at Case Western Reserve Lerner School of Medicine. She completed general and plastic surgery residencies at UNIFESP, Sao Paulo, Brazil. She relocated to the United States, and she pursued plastic surgery residency at the Cleveland Clinic. Dr. Moreira has accumulated extensive clinical knowledge in the field of breast reconstruction, and she is the author of several peer review papers. Her main areas of research focus on innovations on breast reconstruction and microsurgery, particularly robotic assisted DIEP flap harvest and breast resensation. Her overall vision is to develop state-of-art ways to care for breast reconstruction patients, through clinical knowledge and research.

## WEBSTER LECTURER

**C. William Hanke, MD**

### 2022 Webster Lecture

SESSION 16

Friday | February 4, 2022 | 9:15AM

Dr. Hanke has a reputation for excellence in dermatologic surgery, laser, and cosmetic surgery that extends around the world. A graduate of the University of Iowa Carver College of Medicine, Dr. Hanke completed a residency in the Department of Dermatology at the Cleveland Clinic and then completed fellowship training at the Cleveland Clinic (Mohs Micrographic Surgery) and Indiana University School of Medicine (dermatopathology). He also earned a Master's Degree in Epidemiology from the University of Hawaii School of Public Health.

Before founding the Laser and Skin Surgery Center of Indiana, in Indianapolis, Indiana, in 1998, Dr. Hanke served as Professor of Dermatology, Professor of Otolaryngology-Head and Neck Surgery, and Professor of Pathology at IUSM. He was the first physician in the United States to be awarded the triple Professorship. He has taught live surgery instructional courses to physicians in Brazil, Mexico, Portugal, Spain, Italy, and Germany.

## ATTENDEE DUE DILIGENCE

An exhibitor's participation in the Annual Scientific Meeting is not an endorsement by the AACS of the exhibitor, its products or services, or information provided by the exhibitor. AACS makes no representations or warranties regarding any exhibitor or its products or services. An attendee's decision to purchase and use an exhibitor's product or service is at the attendee's sole risk. Due to the international nature of the Annual Scientific Meeting, exhibitors from many countries may exhibit at the Annual Scientific Meeting.

It is the responsibility of each attendee to practice due diligence and evaluate an exhibitor's products or services to determine whether the exportation, importation, licensing, or use of an exhibitor's products or services is consistent with the law and medical rules, standards, and ethics applicable to the attendee.

**You are invited** to visit the exhibit show at the Annual Scientific Meeting. Companies of interest to cosmetic surgeons will be displaying their products and services. Representatives will be available to answer questions.

## Join in the fun and be entered to win amazing prizes!

# ABOUT THE ACADEMY

The American Academy of Cosmetic Surgery is the professional society for physicians from all specialties looking to advance their skills in cosmetic surgery and promote patient safety.

With more than 13 million people undergoing cosmetic surgery procedures today, now, more than ever, cosmetic surgeons are seeking new and innovative products and services to ensure excellent and safe outcomes and to grow their practices.

Established in 1985, and today serving more than 1,600 members, the Academy supports cosmetic surgery professionals with education and training opportunities that will provide them with the tools to consistently offer high quality patient care. From live surgery workshops and WebClinics to our Annual Scientific Meeting, the AACS provides year-round opportunities for physicians to come together and share the latest and best cosmetic surgery techniques, research, business strategies, technologies, and products.

## MISSION STATEMENT

*We provide education, professional development and advocacy to advance the multi-specialty, global discipline of cosmetic surgery and aesthetic medicine.*

**RULES AND PROPER ETIQUETTE**

The Annual Scientific Meeting is an educational activity. Attendees are expected to maintain professional etiquette and extend proper courtesies. Inappropriate behaviors will not be condoned.

Soliciting business in the meeting rooms or spaces is prohibited. Only registered exhibitors, in the Exhibit Hall, may solicit business. There will be no distribution of handouts, flyers or promotional items other than the official Abstract Book, or other than exhibitor items in the exhibit hall. Any handout or flyer intended for the handout table by the registration desk must be pre-approved by the AACS CEO/Executive Director. Any unapproved handouts will be removed and discarded. Inappropriate postings in the conference app or other meeting spaces or message boards will be removed and discarded.

The timing of any private ancillary meeting must be approved by the AACS.

**DISCLAIMER**

Registrants understand that the material presented at the Annual Scientific Meeting has been made available under sponsorship of the American Academy of Cosmetic Surgery (AACS) for educational purposes only. This material is not intended to represent the only, nor necessarily the best, method or procedure appropriate for the medical situations discussed, but rather is intended to present an approach, view, statement or opinion of the faculty which may be of interest to others. As an educational organization, the AACS does not specifically approve, promote or accept the opinions, ideas, procedures, medications or devices presented in any paper, poster, discussion, forum or panel at the Annual Scientific Meeting. Registrants waive any claim against AACS arising out of information presented in this Meeting.

Registrants understand and acknowledge that volunteer patients may have been asked to participate in the Annual Scientific Meeting sessions for educational and training purposes. Registrants shall keep confidential the identity of, and any information received during the Annual Scientific Meeting regarding, such volunteer patients.

Registrants further understand and agree that they cannot reproduce in any manner, including, without limitation, photographs, audiotapes and videotapes of the Annual Scientific Meeting sessions. All property rights in the material presented, including common law copyright, are expressly reserved to the presenter or to the AACS. The sessions may be audio, videotaped, or photographed by the AACS.

By attending this program, in no way does it suggest that participants are trained and/or certified in the specialty of cosmetic surgery. All speakers, topics, and schedules are subject to change without prior notification and will not be considered reasons for refund requests.

Registrants agree to abide by all policies and procedures of the AACS. Registrants waive any claim against AACS for injury or other damage resulting in any way from course participation.

## ABOUT THE FOUNDATION

AMERICAN ACADEMY  
OF COSMETIC SURGERY

Refresh your understanding of best practices for popular cosmetic surgery procedures while learning the newest techniques from the experts. The online format is economical in that attendees have no travel costs as with an in-person meeting.

This intense 3-day course includes a comprehensive curriculum review of best practices for popular cosmetic surgery procedures. In addition, the course will review the anatomy and physiology surrounding cosmetic surgical procedures, the various treatment options available for improving bodily appearance, and potential complications and their management.

#### REGISTRATION FEES

- Physician Member of the AACS - \$1,500
- Physician Non-member - \$2,000
- Resident/Training Fellow - \$1,000

All fees are denoted in U.S. dollars (USD) unless otherwise indicated.

This course is for intermediate to advanced cosmetic surgeons looking for a refresher. It is also a preparatory course for those planning to sit for the American Board of Cosmetic Surgery exam or the American Board of Facial Cosmetic Surgery exam.

AMERICAN BOARD  
OF COSMETIC SURGERY

## Here's why you should be ABCS board certified

**Patients want a board certified cosmetic surgeon.** Cosmetic surgery patients choose their surgeon, and certification from the ABCS is the highest credential in the cosmetic surgery specialty, showing you have mastered your craft and are dedicated to excellence in cosmetic medicine.

**You will have access to a career-spanning support network.** You will be in direct contact with, and have mentorship opportunities with, cosmetic surgeons at the top of the specialty, and enjoy the benefits of this exclusive peer group. As the field grows and evolves, you will continue to learn from, and collaborate with, your network of colleagues.

**ABCS certification signifies your commitment to safely delivering top-notch aesthetic results.** Completing cosmetic surgery fellowship training and making a commitment to the credentialing and safety standards set out by the ABCS demonstrates you are a safe choice for cosmetic procedures.
